UNIVERSITY OF LINCOLN JOB DESCRIPTION

JOB TITLE	Lecturer in Diagnostic Radiography				
DEPARTMENT	School of Health and Social Care, College of Health and Science				
LOCATION	Lincoln Campuses				
JOB NUMBER	CHS210	GRADE	7	DATE	April 2025
REPORTS TO	Deputy Head of School				

CONTEXT

Allied Health Professions are growing at the University of Lincoln, and we are commencing delivery of BSc Diagnostic Radiography in September 2024. We are looking for a Lecturer to join our teaching team. You would be joining 4 other pre-registration AHP programmes: graduate entry Physio, OT and SLT plus BSc Paramedic Science. The academic teams are supported by an Associate Professor for AHP and a Deputy Head of School. The initial cohort of 20 students will commence in September 2024.

JOB PURPOSE

Overview

This is a developmental role for those entering their first full academic role. As such the duties described represent the range of activities that may be expected at this level and the actual range and depth of duties being undertaken will vary dependent upon the experience of the staff member.

Staff developing through this level are expected to gain the necessary experience and skills to demonstrate competency in the main areas of role as described before progressing to the next level.

General Duties

To work with colleagues on curriculum development and the advancement of relevant discipline areas within the university.

To deliver teaching over a range of modules within an established programme.

To undertake student tutoring and support.

To carry out a limited number of additional activities in support of the academic work of the department.

KEY RESPONSIBILITIES

The responsibilities of a Lecturer are wide ranging and may change over time according to the development needs of the department and the individual. In general a Lecturer can expect to undertake any of the following:

Teaching and Learning Support

- To engage in teaching on undergraduate and/or postgraduate level programmes as determined by the Deputy Head of School. The range of teaching duties may change from time to time.
- Contribute to the design, content and delivery of specific areas of teaching and learning and to the quality of teaching delivered.
- Collaborate with colleagues in the continuous review and development of the Department's programmes.
- Take responsibility for the co-ordination of modules when appropriate to do so and after gaining sufficient relevant experience.
- Work in accordance with University policies and procedures to undertake assessment of students' work and give feedback.

Scholarly Activity and Professional Practice

- Develop a standing as a scholar and /or practitioner in your field that contributes to the profile and reputation of the School
- Collaborate in scholarly activities and / or professional practice based initiatives with colleagues in and beyond the School if appropriate
- Work with Professional bodies or relevant industry contacts to develop student or educational contract opportunities for the School/Department
- Work with more senior Scholars or Professional Practice leads in the School/Department to develop relevant activities to enhance the income and reputation of the School/Department and University
- Engage in subject professional and pedagogy research as required to support teaching activities
- Ensure that outcomes of scholarly activity are appropriately disseminated
- Engage in continuous professional development and scholarly activity in order to develop own professional skills, including teaching and learning skills

Liaison and Networking

- Establish contacts within the wider community where possible and begin to form relationships for future collaboration
- Develop links with relevant professional bodies and academic groups

- Develop involvement in academic activities with industry and other external partners
- Take part in relevant internal committees and working groups
- Liaise with subject librarians, central timetabling and other services to ensure resources available are appropriately deployed
-

Team Working

- Work as a member of a team, collaborating on curriculum development and contributing to departmental meetings.
- Begin to co-ordinate the work of others when appropriate through taking responsibility for module co-ordination

Student Support

- Act as academic tutor to students as allocated by the Deputy Head of School and act as first line contact for them for advice and support on academic matters, ensuring that students are directed to relevant support services when necessary.
- Supervise student projects and placements as appropriate.

Citizenship

- Contribute, as required to the wider mission and reputation of the University with active involvement in activities contributing to general university life e.g. open days, student activities, alumni events and delivery of outreach activities e.g. school visits, local community activities
- Where appropriate, active participation in committees/groups contributing to university life e.g. health and safety, customer service, equality diversity and inclusivity, sustainability and working groups
- Engage in appropriate training programmes in the University, actively follow and promote University policies and participation in the staff appraisal scheme
- Where appropriate help contribute towards the future development of the University and support the University's wider social, cultural and economic development of our region, our 'civic' mission with engagement and/or leadership of external partnerships contributing to the civic mission of the University. Participation in external activities such as volunteering, cultural activities, community activities.

In addition to the above, undertake such duties as may reasonably be requested and that are commensurate with the nature and grade of the post.

ADDITIONAL INFORMATION

Scope and dimensions of the role

This post will focus on the delivery of the BSc Diagnostic Radiography programme. You may also be required to teach on the interprofessional modules and into other health and social care programmes depending on your area of expertise. This could include teaching small groups of approximately 15 students in practical skills sessions and seminars or key lectures to larger groups. You will be involved in the support of students going out into practice education and in the training and support of practice educators. You will be expected to support a small group of students as a personal tutor.
